Facial Rejuvenation

Designed to combat skin damage. Advanced intense pulsed light is the latest innovation in cosmetic skin care.

What results can you expect?

After each treatment you will experience improvement in skin tone and texture. There will be a reduction in over all redness, thread veins will disappear, sunspots will fade, pore size will shrink, fine lines and wrinkles will gradually decrease in size as the new collagen forms beneath the skin. These improvements will continue to increase with each treatment. 4 - 6 sessions are usually required. For more information please arrange a private consultation at the Salon.

Facial Rejuvenation €150

Tightens pores, promotes collagen, leaves skin radiant.

Age Spots Removal

Removed from face (per treatment from) €90

Red Vein Removal (per treatment from) €120

Red veins can be removed successfully from face and neck.

Hand Rejuvenation (per treatment from) €90

A wonderful improvement. Hands will look so much younger.

Easy payment system available. Special prices for courses booked.
